

Allison, Sarah, Griffiths, Glyn and Hedges, Carrie (2019) Cumbria Innovations Platform: student research opportunities. In: Learning & Teaching Fest 2019, 3 July 2019, University of Cumbria, Carlisle, UK. (Unpublished)

Downloaded from: <http://insight.cumbria.ac.uk/id/eprint/4687/>

Usage of any items from the University of Cumbria's institutional repository 'Insight' must conform to the following fair usage guidelines.

Any item and its associated metadata held in the University of Cumbria's institutional repository Insight (unless stated otherwise on the metadata record) may be copied, displayed or performed, and stored in line with the JISC fair dealing guidelines (available [here](#)) for educational and not-for-profit activities

provided that

- the authors, title and full bibliographic details of the item are cited clearly when any part of the work is referred to verbally or in the written form
- a hyperlink/URL to the original Insight record of that item is included in any citations of the work
- the content is not changed in any way
- all files required for usage of the item are kept together with the main item file.

You may not

- sell any part of an item
- refer to any part of an item without citation
- amend any item or contextualise it in a way that will impugn the creator's reputation
- remove or alter the copyright statement on an item.

The full policy can be found [here](#).

Alternatively contact the University of Cumbria Repository Editor by emailing insight@cumbria.ac.uk.

Student Research Opportunities

Sarah Allison – Project Manager

Eco-innovation Cumbria

Glyn Griffiths – Project Manager

THE WOOLLY RUG CO. LTD.

Carrie Hedges – Intern (PhD)

University of
Cumbria

CUMBRIA
INNOVATIONS
PLATFORM

Eco-innovation Cumbria

- ERDF Projects being provided by University of Cumbria, Lancaster University and UCLAN
- Both projects run until 2020 (Sept & November respectively)
- Both projects offer innovation support to Cumbria based SME's (small-medium enterprises)
- Eco Innovation supports low carbon innovation
- Cumbria Innovations Platform supports all innovation
- In Cumbria both projects provide interactive workshops for businesses (Lancaster University support with digital projects, management training and access to facilities for testing, analysis and prototyping)
- Both projects provide funding to support student research placements

- **Student Research Placements**

- Part funded PhD opportunities – Lake District Pound, Institute for Outdoor Learning, Kendal Mountain Festival
- Part funded MSc/MA opportunities – Willison-Parry, Brainchild Development Program Ltd., Portable Eco Systems, South Cumbria River Trust and Friends of the Lake District
- Funded Internships – Bownessie, My Way Code, Fresh Keg, Vortex Hydra, Solway Connections, Wooley Rug Company and more!
- Internships last for 140 hours (20 days), flexible to fit in with studies and personal commitments, can be worked on campus, with the employer or at home – depends on business needs and are paid!
- £9 per hour, maximum of £1200 plus travel expenses
- Supported by the project team and an academic supervisor

Eco-innovation Cumbria

Why undertake a Student Research Placement?

- Increase your skills and knowledge
- Gain experience
- Strengthen your CV
- Improve your employability
- Get great references
- Make contacts for future work
- Get paid for doing something you enjoy

The Woolly Rug Company

The Woolly Rug Company

Project brief

...Chemical dyes are used to colour some of the yarns, but with their adverse environmental impacts, there is a desire to move where possible to use more sustainable natural dyes...

The intern

Desk-based research

- environmental impacts
- possible suppliers
- relevant legislation
- colour fastness/durability

The Woolly Rug Company

Scoping: Research in 4 areas

- Natural processes
 - Sustainability
 - Environmentally friendly
 - Usefulness (production needs)
-
- Developed contacts / potential meetings
 - Producing a list of natural-dyes, mordants & modifiers

Feedback...

The Woolly Rug Company

Thoughts

- Excellent opportunity – *SMEs*
- Try something new – *diverse research areas*
- Great for the CV
- Little extra cash...
